**BEAUTY AT CNB - Naturally**

Natural beauty treatments and products have moved their way into the mainstream. As more and more people work to eliminate harmful toxins and chemicals from their daily routines, organic products become the natural first choice. There are already numerous options readily available in the market, and an increasingly high awareness of the benefits that these organic products and treatments have on our overall wellbeing. At the College of Natural Beauty, you'll learn the skills to succeed in the beauty industry, with the added value of learning their natural alternatives. We want you to be part of a greater wellness experience that goes beyond the clinic and the classroom.

Your naturally beautiful career starts at the College of Natural Beauty.

**DIPLOMA OF BEAUTY THERAPY (SHB50115)**

The nationally accredited Diploma of Beauty Therapy is a comprehensive course that provides you with a thorough understanding of the latest beauty industry practices.

The 11 month course includes advanced facial techniques, Indian Head Massage, Application of Reflexology in Beauty Therapy, Aromatherapy Massage, Nutrition, Cosmetic Chemistry and Spa Therapies. Our students are invited to attend a manufacturing field trip to Jasmin Organic to learn more about organic farming principles and skin care manufacturing.

Successful graduates have many attractive career options in an expanding industry. Possibilities include owning, operating or managing a beauty salon, day spa, or health retreat; working as a makeup artist; using your skills as a passport to travel the world on-board a cruise ship, work in luxury resorts, tropical islands or working for skin care companies in a training and/or promotions role or as an account manager.

The Diploma of Beauty Therapy at the College of Natural Beauty is your passport to a successful career in an exciting and expanding industry. With expert guidance and support in a specialised learning environment you can relax and enjoy studying beauty therapy.

The College of Natural Beauty graduates may apply for membership with the following professional associations:

Meet Our Alumni

MEET MARIA CHRISTENSEN
Beauty therapist, IPL specialist and mother
After graduating with a Diploma of Beauty Therapy, Maria obtained a job at Aquarius Health & Medispa, where she helped Dr Ingrid Tall and the team won first place at the National ASPA Spa Awards 2014. Currently with Veve La Beauty and Medispa, Maria is taking her expertise to the next level performing specific treatments.

MEET CARLIE LANSDOWN
Salon manager, brow and skin specialist and Maskd founder
A beauty qualification from the College of Natural Beauty has helped Carlie become the salon manager for the Brooklyn Beauty Bar in Fortitude Valley, Brisbane - a cosmopolitan, upbeat, 1930s style licensed bar and beauty salon. Today, Carlie is heavily involved in plans to open a second salon in South Bank where she’ll take part ownership. In addition, Carlie runs her own small online business called Maskd, retailing an Australian made green mask created from natural ingredients.

MEET LYLA SAUDI
Business owner, skin and relaxation specialist
It was the College of Natural Beauty’s emphasis on everything natural and organic that drew Lyld’s love for skincare and resulted in her passion for educating people about how to improve their skin. This led to Lyda’s decision to set up her own business, LS Skincare and Beauty from her home in Canberra where she offers clients a choice of organic and non-organic products.

INDUSTRY LINKS

ORGANIC SPA
At the College of Natural Beauty, we are committed to the philosophy using natural, sustainable beauty products. Organic Spa is a luxurious certified organic and vegan range which caters to the professional spa/clinic environment. Developed in Byron Bay, the products contain locally sourced ingredients along with extracts from fair trade suppliers around the world. The environmental footprint is also considered with eco-friendly packaging that is recyclable and in some cases the components are bio degradable. Advanced Facial students participate in regular product knowledge and retailing tips given by the Northern states manager, who is also a member of the College of Natural Beauty industry advisory committee, keeping the student up to date with not only a result driven nourishing line of products, but what industry is expecting.

SUBTLE ENERGIES
An Australian made and owned product, Subtle Energies creates a results based aromatherapy, natural skincare and wellness solutions founded on authentic Ayurveda principles. The range is created with the intent to address multiple skin and body concerns, whilst delivering high performance results empowering ones physical, mental and emotional wellbeing. A certified cruelty free range that does not contain parabens, mineral oils or artificial fragrances, Subtle Energies compliments the College of Natural Beauty philosophy of no chemicals on or in the body. Product training is available for the Spa Therapy students to allow them to use this elegant product range designed with the holistic approach to fortify the body, mind and emotions.

ZUII ORGANIC
The world’s first “flora based” make up, allowing you to literally cover your face in flowers. All Zuii ingredients are 95% certified organic, with the other 5% being of natural origin; the use of chemical or synthetic ingredients is strictly prohibited. Rose, jasmine, chamomile are some of the floral ingredients used that are renowned for their healing properties. Zuii organic certainly debunk the myth that organic products don’t perform to the same standard as students in the make-up class soon discover. Regular workshops are conducted to ensure students have the knowledge on how to use the products to create the latest looks and to retail in the simulated salon/spa environment.

KYLIES PROFESSIONAL
From earth to you-naturally, the mineral blends are 100% natural and pure, containing no fillers, preservatives, perfumes, colourants and parabens and keeps with the College of Natural Beauty philosophy of natural, cruelty free and vegan. Kylies Professional Mineral Goddess offers full photographic to sheer coverage. Workshops are held regularly by the Kylies Professional artist for the students to gain the knowledge on using the product as well as creating the latest trending look in daywear to photographic shoots.

KESTER BLACK
A renowned and innovative Australian brand offering gorgeous high quality cruelty free, vegan nail polishes. The high shine, chip resistant nail polish follows the ‘5 free’ formula, meaning it contains no Toluene, DBP, Formaldehyde, Formaldehyde resin or Camphor. Kester Black is also governed by their core value of minimising the environmental impact. Students get to use the latest trending colours on clients while keeping with the College of Natural Beauty philosophy.

ENTRY PATHWAYS

EDUCATIONAL PATHWAYS
We encourage and recognise lifelong learning by offering educational pathways. Students regularly seek an educational pathway for previously attained qualifications or in recognition of professional experience. Listed below are some common examples of education pathway enquiries:

- A student completes selected units of competencies and/or subjects at another institution and wished to be granted credit for the completed units of competencies/subjects when enrolling.
- A student completes a VET qualification at another institution and is seeking credit for the qualification when enrolling into a qualification with the College.

For more information and to apply for recognition of prior learning, visit endeavour.edu.au/future-students/educational-pathways/overview.

• A prospective student has been working for many years in a particular industry or practice area and is seeking recognition for their experience when enrolling into a courses offered by the College.
• A prospective student completes a qualification at another institution many years ago and wishes to update their skills by enrolling in another qualification with the College.
